BUILDING A BETTER FUTURE FOR OUR NURSING HOMES

Louisiana Nursing Home Annual Fall Convention and Trade Show
SEPTEMBER 24-26, 2014  |  NEW ORLEANS, LOUISIANA
This year’s Annual Convention and Trade Show of Louisiana Nursing Home Association consists of a number of outstanding events. LNHA wants to help you BUILD the best professional system in the long term care field.

For those of you who need CEU hours, we will have a full day of training available for you on Wednesday, September 24, 2014, but for you sportsmen, there will be a golf tournament and a tennis tournament to fill your day.

On Thursday, we are fortunate to have Ken Schnauder, Executive Director of the Patients’ Compensation Fund, to tell you about the dramatic changes in the law which has allowed his office to eliminate a decades-old Unfunded Liability. You, as policy holders, will find that your premiums are well-handled and well-spent. And you will get an update on our campaign to pass Constitutional Amendments designed to support healthcare initiatives, and you’ll learn how you can help in this important endeavor.

The trade show has 136 booths, and exhibitors will be ready to show you their latest products.

We will finish up on Friday, September 26, 2014 with the 2nd House of Delegates and then our Awards Luncheon. We recognize our workers and volunteers who perform above and beyond the call of duty during this luncheon. Please help us show our gratitude to them by being there and honoring them for the services they provide.

We’re constructing another great convention. See you in New Orleans!

Sincerely,
Joseph Donchess
Executive Director
