## Louisiana Long Term Care Foundation Donation

The Louisiana Long Term Care Foundation (LLTCF) awards nursing scholarships to nursing students of high academic and caregiving caliber to pursue a career in long term care. For an application to be considered, a nursing student must be employed at a LNHA member facility and must be accepted into an accredited LPN, RN, BSN or MSN program. Those taking prerequisite classes are not eligible.

Thanks to generous donations, in 2019 we were able to award **15** scholarships to students who displayed a passion for serving Louisiana's elderly and frail. Your donation will help us continue to encourage nursing students to pursue a career in long term care by granting academic scholarships.

A donation to the Louisiana Long Term Care Foundation is **not** a donation to the Louisiana Nursing Home Association. **Donations to the LLTCF are tax deductible.** Donating to the LLTCF is separate from being a sponsor or exhibitor at the LNHA Convention & Trade Show. The LLTCF appreciates your consideration and assistance and looks forward to raising money to give back to the profession. Learn more on the LLTCF [web page](#).
